

Notice of Public Open House Dufferin County Growth Management Study – Phase 2

The County of Dufferin and its Member Municipalities invite you to drop in to one of the Open Houses to be held on:

Tuesday, December 2nd, 2008

4:00 pm to 8:00pm

Orangeville Agricultural Centre, (Fairgrounds) 5 Sideroad, Mono

or

Thursday, December 4th, 2008

4:00pm to 8:00pm

Mel Lloyd Centre Auditorium, 167 Centre Street, Shelburne (Door C)

The County of Dufferin and its Member Municipalities will be holding Open Houses to present the findings from Phase 2 of the Dufferin County Growth Management Study. Those interested are invited to drop in at any time during the hours of either of the Open Houses. In March 2008, the County initiated the Growth Management Study in response to the Province's Growth Plan to manage growth. The purpose of the Growth Management Study is to guide future growth in Dufferin County that will protect the natural environment, support a vibrant economy and create complete communities that offer convenient and accessible options to live, work and play.

Phase 1 of 2 of this project examined the County's and area municipalities' existing capacity to accommodate growth. An examination of the study area's natural and socio-economic environment; recent historical growth; growth potential in existing plans and approved designations; infill and intensification opportunities; and infrastructure and servicing constraints was undertaken.

Phase 2 will suggest a preferred growth plan and policy recommendations. A copy of the study will be available on our website (www.dufferincounty.on.ca) on Tuesday, December 2nd, 2008.

There will be opportunities to provide your comments prior to, during and after each Open House. You may direct your comments to:

**Linda J. Dean
Chair, Growth Management Steering Committee
